8) In view of the fact that coffee & tea are subjected to heavy excise duty by the Govt of India itself, it is considered desirable not to approve the proposals of local bodies to impose octroi on these articles of consumption, as it would amount almost to a double levy (through it may affect local trade) This policy is being consistently observed all along while dealing proposals from these bodies. Hence the levy may not be sanctioned

9) The levy of octroi duty at two annas per bag of 82 lbs may be approved, as the reported fluctuation in cement weighs 82 lbs generally about 80 lbs

Re Levy of octroi on Coffee, Tea and Cement in Konanur Municipality

With reference to your letter No L 7544 dated 8-1-49 calling for my opinion re the levy of octroi duty on Coffee, Tea and Cement in Konanur Minor Municipality, I write to state that the Municipal Council expects an annual Income of Rs 265/- as detailed below

Coffee	-	Rs	125-0-0
Tea	-	Rs	78-0-0
Cement	-	Rs	62-0-0
		Total	265-0-0

The Municipality has to provide adequate funds towards their obligatory duties Town Improvement works and the maintenance cost of the Municipal High School at the place and its present financial condition is not very satisfactory and it is handly sufficient to meet the normal derands It is very necessary to find out all possible means to improve their income In the above circumstances, I am of opinion that it is desirable to levy octroi on the articles referred to above
